TO WHOM IT MAY CONCERN

It is my pleasure to strongly recommend **Ms. Sana Khan**, daughter of **Khan Muhammad**, for higher studies. I have known Ms. Sana since she was enrolled in the **Bachelor of Business Administration (BBA)** program (Registration No. ML-ISB-SP21/BBA-5669) at the **National University of Modern Languages (NUML)**. She successfully completed her degree in the year **2016**.

During her academic journey, I found Ms. Sana to be a **hardworking, committed, and sincere student** who consistently demonstrated a keen interest in her studies. I had the opportunity to teach her in the course “**Business Mathematics**”, in which she secured a good grade. Her performance reflected her strong **analytical abilities** and her comfort with **quantitative tools**.

In addition to her academic strengths, Ms. Sana possesses excellent **communication skills**. She actively participated in class discussions and expressed her ideas clearly in both **oral and written** forms. These attributes make her well-prepared to meet the challenges of advanced education.

As her teacher, I am confident in recommending her for further academic pursuits. I believe that **Ms. Sana Khan** has the potential to succeed and excel in her future studies, and I fully support her application.

Sincerely,

Syed Ali Azfer
Assistant Professor
Department of Management Sciences
