TO WHOM IT MAY CONCERN

I am pleased to write this recommendation letter for **Hasam Afzal**, S/o **Muhammad Afzal** (Registration No. **ML-ISB-SP21/BBA-5661**), for admission to your MS program. Hasam was a dedicated student in our Bachelor of Business Administration (BBA) program from February 2021 to January 2025 at the National University of Modern Languages (NUML), Islamabad.

Throughout his academic journey, Hasam Afzal consistently demonstrated an exceptional level of dedication, discipline, and a strong commitment to his studies. He possesses outstanding analytical and problem-solving skills, which were evident in his coursework, group projects, and presentations.

He also stood out for his excellent communication skills, both written and verbal. Whether delivering presentations, participating in discussions, or drafting reports, he consistently displayed a professional level of fluency and confidence. As our BBA program is conducted entirely in English, I am confident that he has the language proficiency required to excel in an international academic environment.

Beyond academics, he has a clear vision for his future and an unwavering desire to expand his knowledge in his field of study. He actively seeks to contribute meaningfully to his discipline and shows great potential for academic and professional growth.

I am confident that Hasam Afzal will be a valuable asset to your esteemed institution, contributing positively to the academic community and benefiting from the learning environment you offer. I strongly recommend him for admission to higher studies in Foreign Countries and believe he will excel in his endeavors.
